

DOS CONGRESS 2020

21.- 23. October, 2020 Hotel Scandic Falkoner, Copenhagen

Sponsor and Exhibition Invitation

https://www.ortopaedi.dk/

Dear Professional Collaborator.

In October (week 43) 2020 Danish Orthopedic Society (DOS) celebrate our annual congress at Scandic Falconer Hotel in Copenhagen. This year, it is our 75-year anniversary as scientific and professional organization for orthopedic surgeons in Denmark – and we celebrate it by having an anniversary symposium about historical perspective I Danish Orthopedic surgery and we are hosting all previous presidents of DOS at a presidential breakfast among the special anniversary activities this year.

As previous years the programme of the congress will include scientific lectures, symposia and educational activities. We expect participation of 4 - 500 doctors each day at the meeting, with representation of more than 60% of our more than 1000 members and health care professionals and doctors working with connection to orthopedic surgery and care for orthopedic patients. At the Congress we host participators from all orthopedic subspecialties - from Students to Senior Consultants and Professors.

We invite you as a company with interests in the orthopedic community to exhibit your products or services interesting to our meeting participants. The DOS congress is the prime meeting place for orthopedic surgeons in Denmark. And we have a long tradition for hosting a large Industry exhibition at our Congress. We would be happy to have you as exhibitor, sponsor or as a collaborator in other educational or scientific activities.

We attach the preliminary program. Each day we host 2 coffee breaks of ½ hour and one lunch break of 1 hour, situated in the exhibition hall, were all catering will be served. These breaks always give a good opportunity for professional contact and presentation of your product.

To your information we have decided to end the engagement with the congress organizing company MCI in 2020. The secretary of DOS and the DOS board are as previous years in charge of the planning and economic issues around the congress and we hope that you will find most practical information you need in this invitation and on our website www.ortopaedi.dk.

We hope to see all our well known traditional collaborators and would like also to invite new companies with interesting products and services to present their portfolio to our members and congress guests. Please contact us for further information if needed. We are open to your new ideas and we look forward to welcome you all and our members to the 2020 DOS 75th. Anniversary Congress.

Sincerely

Bo Sanderhoff Olsen President Morten Schultz Larsen Congress president Marie Fridberg Treasurer
