

Guildal Lecture: Prof. Fares Haddad

Lørdag, d. 20. november 2021 kl. 11.00-12.00

Auditorium, 1. sal

ACL Injuries – Still more questions than answers

Fares Haddad

Professor of Orthopaedic and Sports Surgery, University College London Hospitals

Director of the Institute of Sport, Exercise and Health (ISEH) at University College London.

Editor in Chief, Bone and Joint Journal

Research areas

Professor Haddad's clinical and research endeavours have centred around hip and knee reconstruction. His interests include joint preservation after sports injuries, and outcomes assessment in hip, knee and revision surgery.

He led the musculoskeletal team at the London Olympics 2012, and has gained International Olympic Committee Centre of Excellence status at ISEH.

He has presented and published widely on key aspects of hip, knee and sports surgery including over 700 peer reviewed publications.
