Sponsor and Exhibition Invitation

<https://www.ortopaedi.dk/register-2022/>

Dear Professional Collaborator.

After many months of not being able to meet face-to-face we had a successful Danish Orthopedic Society (DOS) congress at Scandic Falconer in November 2021. We were overwhelmed by the number of participants, the commitment, and the enthusiasm of finally being able to get together – all of which made the postponed 75-year anniversary congress a big success.

We are pleased to welcome you all again at the DOS congress. It will be the second time we visit Vingsted Hotel and Conference centre. The first time was in 2019 and we are happy to be back in these beautiful surroundings for a memorable DOS congress 2022.

The increased costs of hosting the DOS congress in Vingsted is reflected in this year's prices and registration fees not only for professional collaborators but also for members and congress guests. Compared with floor space rental and exhibitor registration fee there is only a smaller increase in the price for the bronze- and silver sponsorship. For the gold sponsorship, the price is not only the same as in 2019 but there are also additional advantages including an additional exhibitor registration fee. We, therefore, recommend that you consider a sponsorship when signing up for the congress.

Please note that deadline for early bird sign up is fast approaching

Early bird 30th June 2022

Please find practical information and invitation on our website <https://www.ortopaedi.dk/register-2022/>.

We hope to see all our well-known traditional collaborators and would like also to invite new companies with interesting products and services to present their portfolio to our members and congress guests. Please contact us for further information if needed. We are open to your new ideas and we look forward to welcoming you all and our members to the 2022 DOS Congress.

Sincerely

Torben Bæk Hansen
